

Winter's on its way!

Find out how to save money on your energy bills,
keep your home warmer & conserve energy!

Sign up for a **Weatherization Workshop**
with the [Community Energy Project](#)

Saturday, January 3rd, 2009
10:00am-12:00pm

hosted by:
[North Portland Tool Library](#)
2209 N Schofield

Income-qualified Multnomah County residents can receive a free kit of
weatherization materials (\$150 value)

**To qualify for the free
materials:**

- Resident of Multnomah County
- Meet income guidelines

SUPPORT OUR PROGRAMS!

Order forms available for folks not
eligible to receive a free kit.

The free kit includes:

- Interior vinyl storm windows
- Door weatherstripping
- Pipe Insulation
- Thermometer
- Compact fluorescent light bulb
- And much more!

We'd like to bring enough materials for everyone,
so sign up to reserve your spot.
